How we teach French at Acton HS. This is an example of what we do NOT do! :)
How we Teach ... our Goals and our Actions

We want our students to:

- Be confident when discussing, in French, their ideas and opinions
- Be global citizens as they learn about the importance of French within the areas of Human Rights, Justice, and Culture (etc)
- Enjoy the study of French and see relevance in it

Our students will:

- Have authentic learning experiences
- Read novels and plays, from a variety of French-speaking countries, from a variety of lenses
- Interact with one another, enhancing their speaking and presenting skills, in French
What We Teach and Options for Students

At Acton High School:

- 4 courses in French Language (Academic and University Level)
- Grade 9 Phys-Ed, Geography and Science
- Grade 10 History, Civics (.5) and Careers (.5)
- Grade 11 Introduction to Anthropology, Psychology and Sociology (HSP 3U)

Options for Alternative Courses:

- Online summer school
- Month of July
- Students expected to work on the course 5.5 hours a day, 5 days a week, at their discretion, ensuring the course is completed by the final day
- Offerings have included HSP 3U and HSB 4U
Exchange Opportunities

EXPLORE:
A five-week intensive French-immersion bursary program offered during the summer for people with any skill level in French.

- Students are awarded a $2,200 bursary (taxable income) that covers tuition fees for the course, instructional materials, meals, and accommodation.
- Students will discover another region of Canada while learning French in classes adapted to their language level.
- Cultural awareness and language skills are developed through formal instruction, workshops, group activities, and field trips,
- Students will meet new people from across the country

Through classroom instruction, workshops, sociocultural activities, and field trips, students will not only improve language skills, but discover the culture of a new region as well, all while exploring, meeting new people from across the country, and exchanging ideas in a stimulating environment perfect for learning the French language!
CEEF: Canadian Education Explore Foundation

Students will:

- Live in France, Spain, Italy or Switzerland
- Enhance their ability to communicate in the language of the country
- Host their exchange partner for 3 months (August - October)
- Live with their host and host family for 3 months (March - May)

CEEF student exchange programs are designed to:

- enhance language proficiency
- increase awareness of other cultures
- promote personal growth and development
- fulfill your dreams of adventure and travel
● Senior level students have the opportunity to write the DELF exam in May of their grade 11 and/or 12 year
● DELF exams are four separate diplomas issued by the French Ministry for National Education to certify the French language skills (Oral, Writing, Listening, Speaking)
● Diplomas are valid for life and recognized internationally
● Acton High School students have had a 100% success rate since its first introduction to Halton in 2014 in all levels (A1, A2, B1, B2)
